PREAMBLE

This Agreement, entered into this _____ day of March, 2014, by and between the CITY OF ASBURY PARK in the County of Monmouth, a Municipal Corporation of the State of New Jersey hereinafter called the "City", and LOCAL 384 OF THE INTERNATIONAL ASSOCIATION OF FIREFIGHTERS, AFL-CIO-CLC, hereinafter referred to as the "Union", represents the complete and final understanding on all bargainable issues between the City and the Union.

ARTICLE I

GENERAL

The City of Asbury Park, hereinafter referred to as the "City", and Local 384 of the International Association of Firefighters, AFL-CIO-CLC, hereinafter referred to as the "Union", in order to increase general efficiency in the Fire Department, to maintain the existing harmonious relationship between the Fire Department and its employees and to promote the morale, rights and well-being of the Fire Department, hereby agree as follows:

ARTICLE II

PUBLIC EMPLOYEES

The Fire Department and individual members of the Union are to regard themselves as public employees and are to be governed by the highest ideals of honor and integrity in all their public and personal conduct in order that they may merit the respect and confidence of the general public.

ARTICLE III

RECOGNITION

The City recognizes the Union for the purpose of collective negotiations as the exclusive representative of the individual members of the Union, including all Firefighters/EMTs; Captains/EMTs; Battalion Chiefs/EMTs; Fire Prevention Specialist UFDs/EMTs; Fire Official/EMTs UFDs; and Training Officer.

ARTICLE IV

UNION SECURITY

A. DUES CHECK-OFF

Upon written authorization by an employee and approval by the Union President, the City agrees to deduct from the wages of each employee the sum specified by the Union Treasurer for dues and deliver the said sum to the Union on a monthly basis. In the event an employee does not have any monies due and owing to him, or if the monies due and owing to him are not large enough to satisfy the assignment for dues, no sums of money shall be deducted from the employee for that month. In such event, however, the Union will collect the dues due and owing, if not deducted from monies due and owing to the said Union member.

B. REPRESENTATION FEE

1. If any employee does not become a member of the Union during any membership year which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Union for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

2. Prior to the beginning of each membership year, the amount of said representation fee shall be certified to the City by the Union, which amount shall not exceed eighty-five (85%)

percent of the regular membership dues, fees and assessments charged by the Union to its own members.

3. Once during each membership year covered in whole or in part by this Agreement, the Union will submit to the City a list of those employees who have not become members of the Union for the then current year. The City will deduct the representation fee in equal installments, as nearly as possible from paycheck paid to each employee on the aforesaid list during the remainder of the membership year in question.

4. The City shall remit the amount deducted to the Union monthly, together with the dues deducted pursuant to Section A, above.

5. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after re-entry into employment in the unit.

6. The Union shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(C) and 5.6, and membership in the Union shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system or if membership is not so available, the City shall immediately cease making said deductions.

7. The Union shall indemnify and hold the City harmless against any and all claims, demands, suits and other forms of

liability that shall arise out of, or by reason of any action taken or not taken by the City for the purpose of complying with any of the provisions of this Article. The Union shall intervene in, and defend, any administrative or court litigation concerning this provision. In any such litigation, the City shall have no obligation to defend actions arising under this Article, but once compelled to do so, the Union shall reimburse the City for all reasonable costs incurred in defending or participating in such litigation.

ARTICLE V

PROBATION PERIOD

All new employees shall serve a probationary period of one (1) year and shall have no seniority rights during this period, but shall be subject to all other clauses of this Agreement and applicable Department of Personnel Statutes, Rules, and Regulations of the State of New Jersey. All employees who have worked one (1) year shall be known as permanent employees, and the probationary period shall be considered part of the seniority time.

ARTICLE VI

MANAGEMENT RIGHTS

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey, and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. The executive management and administrative control of the City Government and its properties and facilities, and the activities of its employees;

2. To hire all new employees, and subject to the provisions of law, to determine their qualifications and conditions for continued employment, assignment, and to promote and transfer employees;

3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. Nothing contained herein shall be construed to deny or restrict the City of its rights, responsibilities and authority under N.J.S.A. 40A:14-118, et seq., and N.J.S.A. 11A:2-1, et seq., or any other national, state, county or local laws or ordinance.

ARTICLE VII

SENIORITY LIST

The Fire Department shall establish a seniority list and it shall be brought up-to-date on January 1st of each year and immediately be posted thereafter on the Central Fire Station and Substation boards, for a period of not less than thirty (30) days. A copy of the seniority list will be mailed to the Secretary of the Union. Any objections to the seniority list as posted shall be reported to the Chief of the Department within ten (10) days or it shall stand approved.

ARTICLE VIII

A. Pursuant to N.J.S.A. 40A:14-49, there is established in the Fire Department the following schedule of actual duty of the members thereof for an average forty-two (42) hour week in an eight (8) week cycle, except as hereinafter provided.

ARTICLE IX

OVERTIME

A. In the event that a need for overtime should occur in the Department because of vacations, sickness or other unforeseen conditions, the officer in charge shall call the next firefighter on the overtime list to work overtime. All overtime shall be paid at one and one-half (1½) times the basic rate of pay to any member of the Union working in excess of his/her scheduled tour of duty, if said Union member has not been on sick leave (excluding injury leave) during his/her particular cycle of duty. A cycle shall consist of two (2) twenty-four (24) hour days in an eight (8) day cycle. No Union member shall be required to work more than twenty-four (24) hours continuous duty except in cases of emergency situations as aforesaid.

B. All Union members working consecutive tours of duty will be allowed one (1) hour off upon commencement of overtime duty and one (1) hour off if said Firefighter begins his/her regular tour of duty after completion of an overtime tour. All overtime will be voluntary, except as aforesaid in the event of any emergency and shall be maintained by a seniority list kept by official records of the Department. A copy of said list shall be posted on the bulletin board and this record shall show the date of call and the response from each person called as to

whether it was refused, on duty, no answer, sickness or vacation. If a Union member refuses, cannot be reached or is sick, he/she will be automatically passed by until a complete cycle of the seniority list has been made. This list shall pertain to tours of duty only.

C. During the hour off, members of the Department will have the flexibility to travel in and around the City of Asbury Park. However, members shall use good judgment, and this judgment precludes trips of any substantial distance. Members shall keep in contact with fire headquarters by use of a portable radio for response in case of emergency. The member shall be undisturbed in all but a true emergency.

D. If an employee is required by the Prosecutor of the County of Monmouth to testify on behalf of the City of Asbury Park, he/she shall be compensated at straight time rates for the actual time worked, but not less than two (2) hours pay.

E. A Firefighter may, at his/her option, elect to receive compensatory time (at the rate of double time the overtime worked) in lieu of overtime pay, not to exceed a maximum accumulation of one hundred and twenty (120) work hours. An employee shall select his option and notify the Captain in charge of such election at the time the overtime is worked. Compensatory time may only be taken when there is a full complement with no expense to the City. If the maximum of one

hundred and twenty (120) compensatory hours is reached, the City will convert the time to overtime pay at one and one-half ($1\frac{1}{2}$) times the regular rate of pay.

ARTICLE X

VACATIONS

A. A member shall be granted a vacation if earned in each vacation year without loss of pay. The earning year will be from January 1 to December 31 for the following year's vacation.

B. Members may schedule their vacations on a "split" basis (at two (2) different times rather than in a single block), subject to the following limitations:

1. An employee who elects to split his/her vacation shall, after making the selection of the first vacation period, go to the bottom of the seniority list for purposes of making the second vacation selection.

2. No split portion of the vacation shall be for less than one (1) full tour of duty.

3. Vacations may be split into not more than two (2) segments.

C. Length of service for vacation purposes shall be determined by completed years of service as of the last day of the earning year and shall be allowed to the employee member based on seniority of service.

D. Vacations shall be earned in the following manner:

During the first year of service:

One -third ($\frac{1}{3}$) of a day per month to accrue monthly	Not to exceed 4 working days
Commencing 2 nd through 4 th year	Not to exceed 5 working days
Commencing 5 th through 9 th year	Not to exceed 6 working days
Commencing 10 th through 14 th year	Not to exceed 7 working days
Commencing 15 th through 19 th year	Not to exceed 8 working days
Commencing 20 th through 24 th year	Not to exceed 9 working days
Commencing 25 th year and thereafter	Not to exceed 10 working days

E. Firefighters may utilize up to a maximum of two (2) compensatory days in each year as vacation time. In the event a scheduling overlap situation develops because of an employee taking compensatory days as vacation, the use of said compensatory days as vacation shall not be permitted. These compensatory days are granted on the condition that the City shall incur no additional overtime from the taking of these compensatory days.

F. Once a member has chosen his/her vacation according to his seniority ranking on his/her respective tour and the vacation schedule has been finalized and approved by the Chief of the Department, an employee's vacation pick shall be honored and shall not be unreasonably denied except in emergent

situations, or of he/she is subsequently transferred between tours. If, following a transfer, an employee's vacation schedule is being considered by the Chief for a change, the matter shall be brought to the attention of the City Manager, who shall schedule a meeting to discuss the issue with the Chief and the IAFF President. The final decision as to whether a transferred employee's initial vacation pick will be honored shall be subject to the discretion of the City Manager.

G. Terminating or retiring employees shall be granted vacation days on a prorated basis of 1/12 for each month earned.

ARTICLE XI

PERSONAL LEAVE

A. Each employee shall be granted one and one half ($1\frac{1}{2}$) working days off per year with pay for the purpose of conducting matters of personal business or emergency nature. New employees shall be granted personal leave on a prorated basis of one-half ($\frac{1}{2}$) day for four (4) months of service. Such time shall not be deducted from any other time. Except in the case of an emergency, twenty-four (24) hours of notice must be given.

B. Terminating or retiring employees shall be granted personal days on a prorated basis of one-half ($\frac{1}{2}$) day for four (4) months of service.

ARTICLE XII

COMPANY STRENGTH

A. It is agreed that the City shall keep at least one (1) Truck Company and one (1) Engine Company in service twenty-four (24) hours per day. The City of Asbury Park Fire Department shall consist of not less than four (4) Battalion Chiefs, eight (8) Captains and thirty-two (32) Firefighters, not including the Chief of the Department, the Fire Prevention Specialist UFDS, the Fire Official UFDS, or Training Officer. Each tour of duty shall consist of a minimum of nine (9) members of the Department, comprised of Officers and Firefighters, as shall be designated by the Chief of the Department.

B. A Firefighter will not be considered part of his/her complement of tour of duty until he/she has successfully obtained the New Jersey Firefighters I Certificate and successfully completed the New Jersey Department of Health EMS Classes.

ARTICLE XIII

INJURY LEAVE

A. Whenever a permanent employee covered by this Agreement is incapacitated from duty because of a physical injury sustained while on duty, he/she shall receive his/her salary for a period not to exceed one (1) calendar year (12 consecutive months) from the date of the onset of the injury. Said salary payment shall include, and is not in addition to, any entitlement of the employee to a portion of his/her salary as benefits for temporary disability due under the Worker's Compensation Law. An employee's medical condition shall be reviewed at least every four (4) months to determine if he/she is eligible to be continued on injury leave.

B. Injury leave may be granted only for an injury found to be approved and accepted as a compensable work-related injury which arose during and out of the course of employment. The use of injury leave is dependent upon prior determination of compensability by the City's insurance administrators based upon the reports of authorized physicians. (See Subsection F).

C. In order to receive payment under this Article, an injured employee shall, as soon as practical after a physical injury has occurred, file a written report concerning such injury with his/her immediate supervisor, and failure to do so shall render the employee ineligible for benefits/salary under

this Article. Except in emergency situations, said report must be filed before the end of the employee's shift during which said injury occurred.

D. Entitlement to injury leave must be based upon the certification of an authorized physician (See Subsection F) as to the employee's disability. The time within the one (1) year period wherein the employee received injury leave and is not permitted or is unable, by reason of certification by authorized physician as designated by the City's insurance administrator, to perform his/her full duties as shall be directed by the Chief of the Fire Department or his designee, resulting from said physical injury, shall not be charged against sick leave of the said employee.

E. Injury leave under this provision may be granted for up to one (1) calendar year from the initial date of injury; provided, however, that an employee's entitlement to injury leave will cease and terminate as of the approved effective date of the employee's retirement due to disability as determined by the Division of Pension, if the retirement determination precedes the expiration of the one (1) year injury leave entitlement.

F. Entitlement under this Article will be based upon the medical evaluations submitted by the authorized physician designated by the City's insurance administrator. An employee

who disagrees with the medical evaluation submitted by the authorized physician may submit a written request for a second opinion and supplemental medical evaluation.

G. Any employee required by the City, or the City's insurance carrier/administrator, to be examined or treated by physician other than one of his/her choosing shall be compensated with compensatory time off for the time spent in the physician's office for such examination or treatment at the straight time rate of pay, provided he/she is not on injury leave with pay. In addition to said compensation, the employee shall also receive traveling expenses at the rate of seventeen (17) cents per mile, plus parking and tolls. In the event an employee is required to be examined by the City's authorized physician in order to determine whether the employee is capable of returning to work, the authorized physician must certify in writing to the City, and a copy to the employee's doctor, if requested, that the employee is capable of returning to work. If the employee's personal doctor and the City's doctor disagree as to whether the employee is capable of returning to work, the dispute shall be submitted to a third doctor selected as follows: The Association and the City shall each compile a list of three (3) doctors from which the Association and the City shall mutually select a single physician within three (3) days from the time that a dispute arises between the employee's and

the City's doctor. The determination of the third doctor regarding the employee's ability to return to work shall be in writing and be final and binding. Until the final decision is received from the third impartial doctor, the employee will not be ordered to return to work.

H. Any member out on injury leave during vacation leave shall immediately start his/her vacation when cleared from injury.

ARTICLE XIV

SICK LEAVE

A. All permanent employees or full time probationary employees covered by this Agreement shall be entitled to sick leave with pay. Sick leave may be utilized by said employees when they are unable to perform their work by reason of personal illness or non-work related accident. Employee's sick leave shall not be used to allow the employee to serve as a nurse or housekeeper during extended periods of illness for any immediate member of his household. A maximum of one (1) day will be considered to be permitted to be used for the said employee's sick leave while other arrangements are made for family coverage.

B. Every permanent employee covered by the Contract shall receive eight (8) working days per year for sick leave, and the same shall be cumulative from year to year and for any fraction of a year in the proportion of two-third days per month. Sick leave with pay shall accrue to all probationary employees on the basis of two-thirds ($2/3$) day a month for the first calendar year of employment after the initial appointment of said probationary employee.

C. If an employee is absent for reasons that entitle him to sick leave, his/her immediate supervisor shall be notified promptly as of the time of the employee's usual reporting time

except in those work situations where notice must be made prior to the employee's start time. Failure to so notify the supervisor may be cause of denial of the use of sick leave for that absence and may constitute cause for disciplinary action.

1. Absence without notice, as hereinbefore provided for three (3) consecutive days, shall constitute a resignation.

B. Verification of Sick Leave

1. An employee who shall be absent on sick leave for three (3) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness and physician's certification that said employee is able to return to full duty.

- a. An employee who has been absent on sick leave for a period; totaling five (5) days in one calendar year, consisting of periods of less than three (3) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months.

- b. The City may require proof of illness of an employee on sick leave whenever such requirement appears reasonable and warranted under the circumstances. Abuse of sick leave shall be cause for disciplinary action.

2. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health will be required.

3. The City may require an employee who has been absent because of personal illness, as a condition of his/her return to duty, to be examined at the expense of the City by a physician designated by the City. Such examination shall establish whether the employee is capable of performing his/her normal duties and that his/her return will not jeopardize the health of other employees.

E. Incentive Time

1. Using each full calendar year that an employee is actively employed, an additional two (2) days vacation will be granted in the following year's vacation only if the employee has perfect attendance during the earning year. One (1) day vacation will be added to the employee's regular vacation if he/she does not have perfect attendance during the calendar year aforesaid, provided, however, that the said employee has less than three (3) days off from his/her normal, usual, and regular attendance. The amount of time computed for days off shall be exclusive of bereavement time and/or specially granted award time and injury leave. The said extra vacation days are to be granted during the vacation period commencing January of the year following completion of any period of time herein referred

to, and the earning period for said additional vacation days shall be computed by completed years of service as of December 31 as the same may be applicable to the Contract.

2. Employees in their first year of employment shall be entitled to the incentive vacation days provided in E, 1 above, but prorated according to the amount of time worked by the employee as follows:

EARNING PERIOD	INCENTIVE TIME
Hired between January 1 st and march 31 st	2 days
Hired between April 1 st and June 30 th	1 ½ days
Hired between July 1 st and September 30 th	1 day
Hired between October 1 st and December 31 st	½ day

F. In the event any firefighter dies prior to retirement, his/her estate shall receive payment of this accumulated sick time up to twenty-five percent (25%) of his/her accumulated days, not to exceed four hundred and eighty (480) hours at the prevailing rate.

G. In the event any firefighter dies while on duty, his/her estate shall receive payment of his/her accumulated sick leave up to one hundred (100) days at the prevailing rate.

H. Terminating or retiring employees will receive prorated days on the basis of one and one third ($1\frac{1}{3}$) days for each month earned.

ARTICLE XV

BIRTHDAY

Firefighters may take one-half ($\frac{1}{2}$) leave day off within each calendar year for his/her birthday, regardless of company strength on that day. In the event an employee leaves employment with the Fire Department, for any reason, prior to the actual date of his/her birthday and he/she has already taken one-half ($\frac{1}{2}$) day off for the birthday, the employee shall reimburse the City for said day. Such reimbursement pay shall be deducted from the employee's last paycheck.

ARTICLE XVI

HOSPITALIZATION AND INSURANCE

A. The City shall provide hospitalization and medical insurance for all full-time employees, their spouse and dependent children. The same shall be those children that are determined to be dependent children as interpreted by the insurance carrier. Effective April 1, 2013, insurance coverage shall be provided through the New Jersey State Health Benefits Program. The City, however, shall have the option of providing identical insurance by any other insurance carrier. The Union will be notified in writing at least thirty (30) days in advance of any impending change of the insurance carrier. All the aforementioned insurance shall be paid for by the City.

B. Any Firefighter who retires under the Police-Firemen's Retirement Plan shall receive paid hospitalization after retirement, providing that said employee has served a minimum of twenty (20) years of service with the City. This provision shall not include any hospitalizations or other benefits for the retired employee's spouse or dependent children.

C. Any employee who contracts Hepatitis B, Hepatitis C, or AIDS while in the performance of his/her duties shall be fully insured after retirement.

ARTICLE XVII

LEAVE FOR UNION BUSINESS

The City agrees that a maximum of one-hundred and ninety-two (192) on duty hours, to be designated by the Union, shall be granted leave to attend state and international conventions and conferences with pay provided, however, that the Union notifies the City in writing of its intentions to do so no later than one (1) week prior to the time leave is to be taken. The City also agrees to grant leave with pay for the State Delegate and/or the State Officer to attend monthly PFANJ meetings. It is further agreed that pertinent and applicable state statutes and laws shall supplement the within provisions and control the same.

ARTICLE XVIII

BEREAVEMENT LEAVE

Employees shall be granted thirty-six (36) working hours off for a death in the immediate family with pay. The immediate family shall consist of father, mother, spouse, children, step-children, sister, step-sister, brother, step-brother, father-in-law, mother-in-law, sister-in-law, brother-in-law, grandparents, and grandchildren.

ARTICLE XIX

CALL BACK FOR ALARMS

A. Employees who are called to duty because of an emergency shall be paid for the actual time worked, but not less than two (2) hours pay at the rate of one and one-half (1½) times the basic pay for said employee. It is understood and agreed by between the parties hereto that employees living within the City and within a five (5) mile radius of Fire Headquarters will be given priority for call-back for emergency duty. Employees living outside of a five (5) mile radius of Fire Headquarters will be called back for emergency duty after those employees living within the radius have been called. Mutual aid calls from other areas, municipalities, and fire departments may be made simultaneously with call backs for emergency duty.

B. If, in the reasonable discretion of the Chief of the Fire Department or of the officer in charge, an employee reports late to a "call back for alarm" or an emergency, he/she shall not receive the same consideration for overtime pay, and the amount said employee shall receive shall be at the reasonable discretion of the Chief of the Fire Department or other superior officer in charge.

C. Employees recalled for emergency duty shall not be required to stand by after the emergency situation has ceased to

exist. The Officer in Charge shall be solely responsible for determining when an emergency ceases.

ARTICLE XX

GRIEVANCE PROCEDURE

A. In the event any employee or group of employees of the Union shall have a grievance or complaint, an earnest effort shall be made to settle the grievance or complaint promptly through the below procedure.

B. The term "grievance" as used herein means any controversy arising over the interpretation, application, or alleged violation of the terms and conditions of this Agreement and may be raised by an employee, his union representative, or the City.

C. Steps of the Grievance Procedure

Step One

The Union Grievance Committee, upon receiving a written and signed petition from an employee, shall determine if a grievance exists. If in their opinion no grievance exists, no further action will be taken.

Step Two

In the event a grievance does exist, the Grievance Committee shall, with or without the physical presence of the aggrieved employee(s), present the grievance within ten (10) days of the occurrence to the Chief of the department for resolution.
